A special needs child is a child legally available for adoptive placement and who is seven years of age or older; under eighteen years of age with a physical, emotional, or mental disability or has been diagnosed to be a high risk for such a disability; a member of a minority; or a member of a sibling group.

**SECTION 7: CHILD SUPPORT**

**PROGRAM NOTES:**

A IV-D case receives full services and is created when the program receives an application for services from one of the parents, a referral from a department program (TANF, Foster Care, and Medicaid), or a request for assistance from another state's program.

A NonIV-D case is one in which there is a child support order but the program has not received an application, a referral, a request for assistance or which was previously a IV-D case that was subsequently closed.

\*Percent of Biennium Expired 25% - Payments for TANF, SNAP, and Adoption are made at the beginning of the month for the current month. Payments for Foster Care are made the last day of the month for the current month. Therefore 6 months of payments have been made or 25% (6/24) of the biennium has expired.

**SECTION 11: MONEY FOLLOWS THE PERSON**  
**APPROPRIATION 2019-2021 BIENNIUM \$2,655,469**

**PROGRAM NOTES:**

The Money Follows the Person program started in 2008 and assists people who want to move from institutional settings to the community. The program is also designed to increase community-based long term care services and supports.

In the last three calendar years all of the transitions were to a home living arrangement.

The appropriation contains funding for contractual services, which includes transition coordination services, outreach services, recipient transitional costs, and other housing and support services.
