As of March 2021, the Department has spent \$48.87 million for Child Care Emergency Operating Grants (CEOG). The Department was awarded Coronavirus Relief Funds from the Coronavirus Aid, Relief and Economic Security (CARES) Act passed by Congress in March 2020 to fund CEOG. CEOG is designed to help child care providers cover some of the extra costs of operating that come with modified operating practices, and to help sustain the child care industry through this period of disruption. These funds are not included in the Child Care Assistance expenditures as they are paid to providers.

In March 2020, the Department was awarded approximately \$6 million in Child Care Development Grant funds through the Coronavirus Aid, Relief and Economic Security (CARES) Act passed by Congress.

*Percent of Biennium Expired 87.5% - Payments for TANF, SNAP, and Adoption are made at the beginning of the month for the current month. Payments for Foster Care are made the last day of the month for the current month. Therefore 18 months of payments have been made or 87.5% (21/24) of the biennium has expired.

+Percent of Biennium Expired 83.33% - Payments for Child Care, Developmental Disabilities, Long Term Care, Medical Assistance, and Medicare Clawback are made when a billing for the previous month's services have been received. Therefore, approximately 20 months of payments have been made or 83.33% (20/24) of the biennium has expired.

In March 2020, the Families First Coronavirus Response Act increased the Federal Medical Assistance Percentage (FMAP) by 6.2% until the Public Health Emergency related to the COVID-19 Health Pandemic is terminated.

PROGRAM NOTES:

Eligibles include all Medical Assistance, Medicaid Expansion, and Long Term Care Continuum eligibles with the exception of SPED and Expanded SPED.

For the last twelve months approximately 46% of the above eligibles were under the age of 21, 7% were classified as aged, 13% were disabled, 12% were adults, and 22% were covered under Medicaid Expansion.

Fluctuation in recipients is due to the timing of when claims are received and processed for payment. The recipient numbers shown on the graph also include those for whom a Medicaid Expansion premium was paid.

Due to the Families First Coronavirus Response Act passed by Congress in March 2020, states that do not impose new Medicaid eligibility restrictions or take away coverage receive a temporary increase in federal Medicaid funding. The eligibility will remain in place until the quarter after the Public Health Emergency order related to the COVID-19 Health Pandemic is terminated.
