

INFLUENZA ABBREVIATION GUIDE

<u>NDIIS VACCINE NAME</u>	<u>BRANDS</u>	<u>DETAILS/DESCRIPTION</u>	<u>NOTES</u>
INFL (IIV3 P/F) high dose	FLUZONE – HIGH DOSE®	high dose seasonal, preservative free	
INFL (IIV4 P/F) high dose	FLUZONE High-Dose Quadrivalent®	high dose seasonal, quadrivalent, preservative free	
INFL (IIV3 P/F)	FLUARIX®, Afluria-preservative free®, FLUVIRIN-PRESERVATIVE FREE®, Flulaval-preservative free®	trivalent, injectable, preservative free	
INFL (IIV3 id-P/F)	Fluzone, intradermal®	preservative free, intradermal injection	
INFL (IIV4 id-P/F)	Fluzone quadrivalent, intradermal®	quadrivalent, preservative free, intradermal injection	
INFL (IIV3 W/P)	FLULAVAL®, FLUVIRIN®, FLUZONE®	trivalent, injectable, with preservative	
INFL (IIV4 P/F)	Afluria quadrivalent preservative free®, Fluarix quadrivalent preservative free®, Fluzone quadrivalent preservative free®, Flulaval quadrivalent preservative free®	quadrivalent, injectable, preservative free	
INFL (IIV4 W/P)	Afluria-quadrivalent®, Flulaval-quadrivalent®, Fluzone-quadrivalent®	injectable, quadrivalent	
INFL (LAIV3)		live, attenuated, for intranasal use	For historical documentation only – cannot enter new lots with this type of influenza vaccine
INFL (LAIV4)	FluMist®	live, attenuated, intranasal, quadrivalent	

INFL (IIV4 P/F) pediatric	Afluria quadrivalent pediatric preservative free®, Fluzone quadrivalent, pediatric (0.25mL dose)®	injectable, quadrivalent, preservative free, pediatric	
INFL (ccIIV3)		trivalent, cell-cultured, injectable, preservative free	For historical documentation only – cannot enter new lots with this type of influenza vaccine
INFL (ccIIV4 P/F)	Flucelvax quadrivalent, preservative free®	quadrivalent, cell-cultured, injectable, preservative free	
INFL (ccIIV4 W/P)	Flucelvax quadrivalent®	quadrivalent, cell-cultured, injectable, with preservative	
INFL (RIV3)	FLUBlok®	trivalent, recombinant, injectable, preservative free	
INFL (RIV4)	FLUBlok-quadrivalent®	quadrivalent, recombinant, injectable, preservative free	
INFL (IIV3 P/F) ADJ	Fluad®	trivalent, preservative free, adjuvanted	
INFL (IIV4 P/F) ADJ	Fluad Quadrivalent®	quadrivalent, preservative free, adjuvanted	
INFL (IIV4south P/F)		influenza, quadrivalent, Southern Hemisphere, preservative free	For historical documentation only – vaccine only used in the southern hemisphere
INFL (IIV4south W/P)		influenza, quadrivalent, Southern Hemisphere, with preservative	For historical documentation only – vaccine only used in the southern hemisphere
INFL (IIV4south P/F) peds		influenza, quadrivalent, Southern Hemisphere, 0.25mL pediatric dose, preservative free	For historical documentation only – vaccine only used in the southern hemisphere
INFL (IIV4south highdose)		high dose seasonal influenza, quadrivalent, Southern Hemisphere	For historical documentation only – vaccine only used in the southern hemisphere
INFL (whole)		whole virus	For historical documentation only – cannot enter new lots

			with this type of influenza vaccine
INFL (unspecified)		unspecified/unknown formulation	used to record a seasonal influenza vaccine where the exact formulation is not known
INFL (LAIV unspecified)		live, attenuated, unspecified/unknown formulation	used to record a live virus seasonal influenza vaccine where the exact formulation is not known
